National Customer Service Week is celebrated in October. PSE&G thanks you for your business and recognizes our customer service professionals, and all of our employees, for keeping our customers at the heart of everything we do.

At PSE&G, we are committed to supporting your business needs. That's why we have a dedicated, toll-free phone number to address your energy questions and concerns. PSE&G's Business Solutions Center is available Monday-Friday, 8:00 a.m. - 5:30 p.m. at 1-855-249-7734 (1-855-BIZ-PSEG).

Get predictable monthly energy bills with PSE&G's Equal Payment Plan (EPP). The EPP estimates your yearly energy costs (based on last year's usage) and divides the total into 12 equal monthly payments. This is an estimate and after 12 months, we will bill or credit you with the difference between your actual usage and this estimate. To learn more or sign-up, visit pseg.com/epp.

Recently, we were not able to read your meter because the key supplied to PSE&G did not work. Please make arrangements for us to read your meter on the next scheduled meter reading date to ensure that you are only billed for the energy you use. Thank you.
